MEMORANDUM FOR THE RECORD

SUBJECT: Status of Views Letters on S. 2 and H.R. 6234

On 17 November 1977 I talked with Tracey Cole and Jim MacRae, both of OMB, about the status of two views letters this office had submitted earlier this year. Their responses are indicated below.

S. 2 - the Sunset Legislation. Mr. MacRae indicated that his office was still under instructions to hold all letters because of internal differences in the Senate. He said that he would get back to us when the situation changed.

H.R. 6234 - Sources and Methods Protection. Ms. Cole, after explaining that she had inherited the bill, said that she had checked on the letter before returning my call and that OMB's National Security Division had lost their copy. She said she had sent them another and expected a response in the near future.
